NEXT MEETING

To Be Determined

Meetings are the second Thursday of each month (except December, July & August) at the Dennis Senior Center, 1045 Rt. 134, E. Dennis at 1:30 PM.

President's Message - April 2021

Fellow members,

Where to begin? It's spring! That should bring some cheer into the air. "April showers bring May flowers" and all that gives us to look forward to. Walking the dog without wearing a heavy winter coat, sitting on the patio with a cup of coffee while you read the morning paper, Red Sox baseball or just being outside soaking up the spring sunshine. Or maybe even, as the Cape's restaurants open again, enjoying an evening out for dinner with friends. And "what about our Club?", you might ask.

At their recent meeting, the Executive Committee decided to pursue two events to help get Club activities going again. The first, hopefully occurring in late May, would be a "we're back" General Membership meeting updating all on the usual Club business and offer some great entertainment to lift our spirits. The second event, likely in late June when the weather should be cooperative, an RMC picnic, with the usual picnic-style activities and perhaps entertainment was also approved by

the Committee. At this writing, a team of EC members is in the process of contacting management at possible venues to confirm availability. The problem of course is, despite the recently hyped relaxation of rules on social activities like those we are working toward, the restrictions still prohibit functions like the ones we are pursuing. Current guidance on meeting sizes, types of facilities, opening of town owned properties, and so forth is not in our favor. The recent return of Barnstable, Yarmouth and Dennis to COVID testing Red-Status is further muddying the water. Our hope is that when the vaccine is available to all residents in the middle of this month, a further easing of the rules will follow. So, we go forward hopefully. Hang in there with us. We'll keep you informed.

Golf chairman Paul DeSisto and committee members will never forgive me if I don't mention their continuing outstanding efforts to streamline our tournament registration process. Registration/cancellation/confirmation is now fully automated using our own Club-developed software application. The first event of the season is April 26th at the Ocean Edge Resort in Brewster – and you can register for it and any or all of the other four spring events beginning April 1st via the Club website www.retiredmensclub.com . Check it out, and why not sign up for all five tournaments while you're there?

Some sad news. After a long illness Club member Mark Chludenski passed away on March 6th at the Brigham and Women's Hospital in Boston. Mark was a five-year member of the Club and a regular player in RMC golf tournaments.

Tom Murphy leads the Club's Sunshine effort. If you are aware of a Club member that needs a little help in this difficult time, let Tom know, we might be able to help. Reach him via the website's Sunshine tab. And while you're there, why not click on the Volunteer tab. We're always looking for help!

So much for April. Hopefully, you've been COVID vaccinated and are feeling well. More and more vaccines are becoming available, but it can continue to be a frustrating time. As I said last month, best advice is to

check websites and try the Commonwealth's centralized as well as specific pharmacy and clinic telephone numbers regularly. Pay attention to other information sources available, i.e., local radio, social networks like *Nextdoor* and your friends and neighbors. Vaccine appointments can unexpectedly become available, sometimes even in the middle of the night. Perseverance pays!

I'll leave you this month with some medical advice as the battle against weight gain caused by COVID-quarantines continues.

weight by eating green grass
and salads and walking**

Remember, vaccine or no vaccine
keep your distance, wash your hands, wear your mask.
Stay healthy. Hope to see you soon.
