

## President's Message

Good day to all on this wonderful day on Cape Cod. It's starting to look and feel as if we have passed the corner for better weather to come. Memorial Day weekend has now passed us and many families and friends came to the Cape to visit and have gone back home. I am not saying they are not welcome but Saturday and Sunday were busy and Monday and Tuesday were back to normal. The Indy 500 and the Coca Cola 600 races were held, and outcomes are in the record books. I want to commend our membership committee for a full effort on our members survey and they will hopefully give us a presentation at our next meeting to show what the results are and what direction we would like to lead the RMC in for the future. COVID has tremendously affected our membership numbers. On December 31, 2019, we had 319 members. Then COVID hit us in 2020 and as of May 31<sup>st</sup> this year we have 239 members. We have added a few this spring but that is still a reduction of 80 members. We want to reverse this trend and reinvigorate our membership. The membership committee has taken the first steps by conducting this survey to identify activities that our current members are interested in to help keep their interest in the club and attract new like-minded individuals.

### (Interim President's Message – page 2)

Our June 8<sup>th</sup> meeting will be our last for this part of the season as we take a break for July and August to be with family and friends this summer on the Cape. Monthly meetings will resume on September 14<sup>th</sup> (second Thursday of the month) at St. David's for the fall as well as the second half of our golf season and fall bowling will begin on the Tuesday after Labor Day.

I want to currently thank all of you for your continued support of the RMC and those who make this group possible. Also remember your requests and questions are always welcome and you can always bring a friend to any of our meeting to see who we are, what we do, and who we have as a guest speaker that might interest them as well.

Many of you that I have chatted with are getting your gardens and yards back to shape after this winter and spring. Apparently, some of the Cape's most beloved plants took a hit this year and require some nurturing this summer which will hopefully restore them for next year. We decided that everything went into the ground this

weekend as my house was starting to look like a nursery as well as getting the deck ready for some relaxation and gatherings of good friends. Again, to all of you have a great summer with family and friends and see you on June 8<sup>th</sup>.

George Cappola

# June Guest Speaker

# Tom Gíllígan

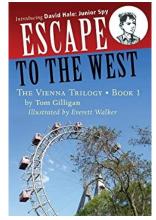

We are delighted to have Tom Gilligan, a fellow member of the Retired Men's Club, as our guest speaker at the June 8 meeting. Tom grew up in the Boston area and is an undergraduate of Boston College and holds a Master's Degree from Cornell University.

After college, Tom entered the U.S. Central Intelligence Agency and spent almost 28 years in CIA's Operations Directorate both in Washington and overseas.

During Tom's career he headed the Agency's overseas Clandestine Operations Training Course and oversaw personnel recruiting in New England colleges and universities. As an author, he wrote and published "CIA LIFE: 10,000 Days with the Agency." More recently, over the past two years, Tom has written a fictional spy story (for boys and girls in the middle school years), "The Vienna Trilogy," which is set in 1947 Cold War Vienna, Austria. The series features 11-year-old junior spy, David Hale. Book I is "Escape to the West." Book II is "Nazis on the Run." Book III is "Stopping the Russian Bear." The series is available through Amazon and Barnes & Noble.

In addition to discussing his books, Tom will speak to us about his experiences in the CIA and his views on current world affairs with a particular focus on Europe.

We hope that you can join us in hearing from Tom and learning more about his career journey and fascinating experiences.

### Minutes of General Meeting – May 11, 2023

- Acting President George Cappola called the meeting to order at 1:00 pm. George led all in the pledge to the flag and Jack Hudson led all in the singing of "God Bless America". George requested a moment of silence for Ed McFadden who recently passed. The reading of the minutes from the previous meeting was waived. Again, George requested members come forward to volunteer for the various positions available to alleviate those who have been doing various functions for a long time.
- George asked the membership to fill out the new survey developed by the membership committee. The survey requests members their opinions on what they want to see and do in the future. Once this survey has been completed, the committee will publish results.
- Lou Ferriera gave the treasurer's report...balance as of 4/30/23 is \$7903.92. The golf account is presently at \$7318.05. Motion to accept report as read was made and approved.
- Membership report made by Bob Badarocco standing in for Gary Gyss. Bob reported we have 3 new members: Ed Saunders, Craig Rockwood and Jerry Newman. Motion to accept the new members was accepted.
- Paul Desisto reported that there are three more Monday golf outings for the spring and there are openings for golfers. Good weather is coming so sign on.
- Jack Puleo stated that the new chairman for bowling is Dick Donovan. Next year's teams are about set. Jack asked that all bowlers e-mail him to confirm they are planning to bowl
- Brian O'Toole introduced the guest speaker, Aaron Lowe from *Bay to Sound Neighbors*. Aaron is a volunteer, as most of their people, and helps the elderly age in their homes by providing various services such as transportation to medical appointments, some in-home projects and tech assistance with PCs, printers, etc. Membership fees apply.

#### **RMC Member Survey Results**

We had a total of 125 members complete the survey, 52% of the membership - an outstanding completion rate. Here is a link if you want to look at the "raw" data: (Survey Results).

In order to assess interest in a specific " active or passive activity", we believe that the combined % from highly interested and somewhat interested should be at least 40% to be used as a benchmark for overall interest in that activity.

With that in mind you will find that there is interest in seeing the club expand the number of offerings. For example, Bocce, Investment Group and ROMEO (Retired Old Men Eating Out) were clear cut areas of interest. There are many others.

For the RMC to expand the key will be for members to step up, lead and take charge in activity areas that you have a passion for.

For example, we already have a committee member who has volunteered to head up, hiking and biking.

We all have time, be productive, be active and be involved.

If you have questions about the report, please contact me Gary Gyss at gjgyss@gmail.com or Bob Bacdaracco at <u>badaraccor@yahoo.com</u>

This month we are pleased to welcome one new member, Richard Bevilacqua.

We appreciate the overwhelming response to the RMC Membership Survey. 52% (125 members) completed the survey.

The Executive Board is reviewing the data and assessing which activities would be the best for the club to consider as we move forward in 2023 and 2024.

As we move into the summer months, it's a great time to invite friends to join the RMC. This will enable them to take part in the fall golf program.

If you haven't purchased your golf hat, see the folks at the registration desk for the June meeting.
