NEXT MEETING

To Be Determined

Meetings are the second Thursday of each month (except December, July & August) at the Dennis Senior Center, 1045 Rt. 134, E. Dennis at 1:30 PM.

PRESIDENT'S MESSAGE

Fellow members,

Forget about those April showers, it's May and summer is right around the corner. May is all about warm sunny days with baseball, golf, beaches, picnics, and barbeques on the agenda. And, if you were lucky when you were a kid, you might even have had the gift of a May Basket from some pretty little girl who thought you were cute.

Last month we had high hopes of being able to hold our first General Membership meeting in over a year sometime this month. Sorry to say we didn't make it. Efforts to secure suitable indoor or outdoor facilities didn't pan out. Based on progress being made in the fight against the virus and hopeful signs of the new Senior Center's availability, a back-on-schedule September meeting in the new Center might be in the cards.

On a more positive note, we have reserved the area at Yarmouth's Flax Pond for a Club picnic. There is still work to be done to make it happen but, fingers crossed, we will be picnicking on Sunday afternoon, June 27th. The Governor has increased the permissible number of participants at outdoor events to 200. With about two months to go, we're optimistic that the Town of Yarmouth will follow suit. Executive Committee member Bill Peters is managing the event. If you'd like to help, give him a shout. More details to come as plans come together. Check your email and the website for the latest

(President's message continued)

How about that RMC spring golf program that got started last month? Over sixty Bryson wanna-bees came out on a windy and chilly day to join Chairman Paul DeSisto and his team for our traditional season-opening event at the Ocean Edge Resort and Golf Club. You can see results, future pairings, and plenty of other news from Chairman Paul behind the Golf Tab. Get to it from the website's Home Page under Sports. We're hopeful that participation will remain high at all our events throughout the season. Good turnouts are important for securing reasonable green fees. And, equally important, outings like ours go a long way towards keeping privately-owned clubs open. We hope you will help by playing in all our events.

While I'm thinking about golf, for many years the Club's golf outings were the charter of long-time RMC member Sal Mazzarini. Sal joined the Club almost 30 years ago and guided us through some of our most successful seasons during his long tenure as Golf Chairman. I had the great pleasure of talking to Sal the other day. He's doing well. He lives with his daughter off-Cape and sends his best wishes to his many RMC friends.

May 8th will mark the 76th anniversary of the defeat of Nazi Germany and the end of World War II in Europe. The Japanese surrendered aboard the USS Missouri in Tokyo Bay four months later, and World War II was finally over. Sadly, it was not America's last war. While Korea and Vietnam easily come to mind, there have been five major conflicts with American involvement as well as untold lesser ones since WW II. In the Vietnam War alone, there were more than 58-thousand fatal casualties. On Saturday May 15th, at noon, there will be a dedication ceremony of a Vietnam Wall, inscribed with the names of all 58 thousand plus heroes, at the **Veterans Memorial Bicentennial Park on Davol Street in Fall River**. The public is invited to attend. Find more details at: www.vietnammemorialwall.org

Even as the pandemic seems to be winding down, we're learning of some Club members that need a little help. We will soon undertake an outreach effort, like the one last spring when over 300 telephone calls were made to members, to make certain no one is left behind. Tom Murphy leads the Club's Sunshine effort. If you are aware of a Club member that might need a little assistance let Tom know, we might be able to help. You can reach him via the website's Sunshine tab. While you're there, if you would like to help by making a few phone calls or an occasional home visit, hit the Volunteer link. It will be much appreciated.

And finally ... Trust the CDC. They have finally announced there's a new widely available vaccine most guys won't mind getting. It was developed in Kentucky. Can't understand why they didn't say anything about it until weeks after most of us had already gotten our shots. Here's a picture of it .

That's it for May.

Remember to visit our website.

Be well, be safe

Charlie

And I didn't have to wait 3 weeks to get my second one !

Spring Golf 2021

The Spring RMC golf season got underway this past Monday at Ocean Edge Resort and Golf Course in Brewster. Fifty-nine players survived a rather chilly wind, but you would never know it from the scores that were recorded. There was some initial concern prior to the event as to what affect the Covid-19 would have on us this year. We asked that the registrants indicate on the Registration form what their status was with the vaccinations that are now available. Surprisingly, all 59 player had their shots. Only one had only one of the two shots, the remaining 58 had the recommended full dosage.

We are now moving on this Monday, May 3rd, to Captains Golf course in Brewster. It has been one of the favorite venues for the RMC for years.

Below is the schedule of courses yet to be played this spring. If you would like to play, please go to the Registration form in this Golf section of the website and sign-up. We would love to have you. It is a great way to meet members of the club.

SPRING VENUES:

RMC Bowling League

Just 2 weeks left in Season II (separate halves) then the banquet at ENCORE.

Attendance was poor down the stretch but we will still have some prizes to dole out thanks to the generosity of the R.M.C. Executive Board. Any opt out members who would like to join us at the banquet please contact me. Red pin hits for April were Brian Glinski, John Lynch, Ron Steiner and Lou Amelia. Congrats.

Masks required to enter the Encore. Be good and let's hope to get back to normal soon.
