PRESIDENT'S MESSAGE

Good day RMC members on this last day of April 2023. As I wait for the sun to start getting warmer, my wife and I have already put away the winter coats. Boy that was a mistake when getting up and it was 41 degrees the other morning. Many thanks to Gary Gyss and Bob Badaracco for our new hats. They are great and will be made available for \$15 at meetings coming up as well. Gary, Bob and the membership committee have done a great job in putting together a survey that they will be distributing at our May meeting. Their goal is to gain a better insight on what types of activities our members are looking for. Our desire is to have an interested membership that is involved with club activities. This month's speaker program comes to us from "Bay to Sound Neighbors" a nonprofit serving Dennis and Yarmouth. I do not want to take away from the formal write up later in the newsletter, but we believe that the spouses will benefit from hearing from this group. So, if you wish please bring along your spouses or significant others or friends that might benefit from this valuable presentation. As always if you wish to bring a friend to see our group in action, please bring them along. Monday is our first golf outing at Ocean Edge and we are hoping for at least some break in this temporary weather to get our first outing in. Major sports are going on in the playoffs and we hope that Boston will at least make it past the first round in Hockey as they just did in Basketball.

As I sit here and type this newsletter, I keep asking myself if I am doing the RMC justice. We have a great group of new board members who are working to move the group along. St. David's is a great place and has been a gracious host for us with a great board room and hall as well. Bowling is winding down and as I said golf is now in full swing starting Monday May 1st. After our June meeting we will take a 2-month break before we start the September-November cycle with our traditional Christmas get together in December. I know I keep asking for some volunteers to step forward and hopefully you will consider assisting in any way you can. So, we will see you on Thursday, May 11th and you golfers have a great outing and start of our Cape Cod spring.

&
Aaron Lowe, B2SN Volunteer

Bay to Sound Neighbors is a community-based, non-profit membership organization developed for the sole purpose of helping older members of the beachside communities of Yarmouth and Dennis on Cape Cod to “age in place” at home for as long as possible through the support of volunteers in the community.

Spouses/ significant Others are welcome to attend

RMC Survey is Coming!

The RMC is actively looking to expand the number of activities and members that we currently support. At the May meeting, members will be asked to take a short survey to provide vital feedback for the future of the club. For those unable to attend the meeting, questions will be posted on the website after the May 11th. Survey items include:

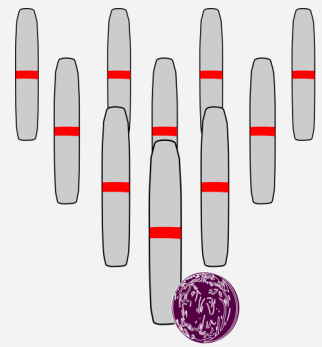

Active Activities: Hiking, Biking, Fishing, Photography, Bocce Ball, Corn-hole, Pickle Ball, and any other area of interest

Passive Activities: Cards, Chess, Book Club, Shoot Pool, Romeo = Retired Old Men Eating Out, and any other areas of interest.

Social Events with Spouses: Give us your ideas!

Other suggestions to improve RMC activities.

April was a little slow with attendance averaging 33 bowlers. One red pin strike by Joe MacLelland, (money saving month). The season ending banquet is set for Royal II in Yarmouthport on May 16 at noon, the menu is Mediterranean chicken or baked cod. Cash bar. Awards after dinner.

LETS HAVE FUN. Jack
