PRESIDENT'S MESSAGE

Fellow Members,

Where to begin? Alas, as the days grow shorter winter can't be far away. But what's with Mother Nature? Is she aware that it's November? She seems confused. Some trees are barren of their leaves but others standing adjacent remain full in their late summer color with hardly any leaves fallen. And so many flowers still in bloom, having lingered past Halloween. What's that about? Perhaps the good Mother has caught the dreaded "Covid Syndrome". You know, "wear a mask, don't wear a mask", "stay at home, don't stay at home" and she doesn't know what to do. Where is Doctor Fauci when we need him most?

Winter or not, one thing is certain. That was a classic "Nor'easter" that blew through last week. I was reminded by a neighbor that since it was not a "named storm" many property insurance deductibles do not apply to resulting damage claims. If you had a loss of any type, from spoiled food in your fridge to a tree on your house, it might be worth a call to your agent.

November brings perhaps the most important General Membership Meeting of the year. It's when a third of the Executive Committee gets elected (or re-elected) to a new three-year term and Club officers (new or incumbent) take office to serve new terms. Of the four current EC members whose terms are expiring this month, three are not seeking re-election. Members are encouraged to come to the meeting, meet the declared candidates for the four positions, and cast their votes.

November offers the Club an opportunity to recognize our veteran members for their service to the nation. We'll take a moment to honor those present and those no longer with us. If you are a veteran and have a commemorative cap or shirt or jacket or pin or whatever, you are encouraged to be proud and wear it to the meeting.

We're especially grateful to State Representative Tim Whelan for finding time in his busy schedule to join us as our guest speaker this month. An ex-Marine and retired State Police Sergeant, Tim is State Representative for the First Barnstable District, representing Dennis as well as much of Yarmouth, Barnstable, and Brewster. He serves on several House Committees, including as Ranking Member on the important Joint Committee for Elder Affairs. Tim will bring us up to date on what's going on in the State House these days and, of course, will take member's questions.

As some of you may know, this is my last President's Message. I have decided not to seek re-election to the Executive Committee and therefore am not eligible to continue as Club President.

As I leave the President's position, I want to give special recognition to Club Secretary John Lynch for his tireless efforts and support and to IT/Web manager Dennis Mascio, Golf Chairman Paul DeSisto, and Bowling Chairman Jack Puleo for working so hard to keep us informed and involved over the past twenty or so months. Thanks also to Vice President Jack Hudson, Membership Chairman Ken Lyman, and Treasurer Lou Ferreira for their efforts as we worked to mitigate the effects of Covid-19. Finally, my thanks to Past President Dick Coughlin for his advice and counsel.

To the volunteers who provide support for Club programs and activities, the Club could not survive without your efforts. You are very much appreciated.

Finally, to all those Club Officers and Committee members not already mentioned and to the 320 or so other RMC members who continue to make The Retired Men's Club of Cape Cod great, a sincere well done.

That's it!

Remember the November meeting is on Wednesday, November 10th. Cape Cinema, concession opens at Noon, meeting starts at 1pm. Until then, be safe and stay healthy. And don't forget to get your booster.

Charlie
