NEXT MEETING

September 13, 2018

Meetings are the second Thursday of each month (except during December, July & August) at the Dennis Senior Center, 1045 Rt. 134, E. Dennis at 1:30 PM.

PRESIDENT'S MESSAGE

Summer has finally arrived and with it the humidity and the tourists. The humidity comes and goes and so do the tourists. Periodically, as I'm sitting in traffic in July and August, I tell myself that we, as year round Cape Codders, would not have all of the amenities on Cape Cod without

the tourists. We have an abundance of golf courses, restaurants, recreational activities, and cultural activities thanks to the tourists gracing us with their presence and spending their money to help subsidize many of the favorite places and activities that are so much a part of our way of life.

Although we give our members some time off in July and August and postpone our monthly meetings, your Executive Committee, Golf Committee, and Bowling Committee's are all at work planning for our Fall events. The Executive Committee is holding a Planning Committee meeting in early August to discuss Club affairs and ascertain if we are providing the members with the type of speakers, special events, golf and bowling activities that they expect from the Club. This is your Club. We work for you and want to provide you with a variety of activities that will peak your interest and make you want to participate.

The Golf Committee has selected five interesting courses for our Fall golf beginning on the Monday after Labor Day, September 10th with The Paul Harney Golf Club. Bowling also begins on the Tuesday after Labor Day, September 4th.

Unfortunately, we had to cancel our Spring Dinner Dance at the Sea View Restaurant in West Dennis for lack of participation. We only had 40 signed up and needed a minimum of 80 to make it financially viable. We have not had a dinner dance for a few years and it appears that this type of event is not of interest to a majority of our members. We will be having our Third Annual Clam Bake at Swan River Restaurant on September 19th. This event has been well attended in the past and we certainly hope that the membership will support it again this year.

I thought it might be nice to end the Summer RMC Newsletter with a very sincere and appropriate thought to everyone who reads this newsletter. As we socialize and see so many of our families and friends during the summer months, keep this one in mind. It is by Orlando Battista, a Canadian-American chemist and author. A devout Catholic, he was notable in his writing for not shying away from advertising his religious beliefs as well as his scientific ones. His quote is "The greatest weakness of most humans is their hesitancy to tell others how much they love them while they're still alive."

Have a great rest of summer and see all of you in September!

Dick Coughlin

Indian Princess Cruise

October 17, 2018 (Wednesday)

8:30 AM Depart this morning from Dennis, on your luxury Silver Fox Coach for Webster, Massachusetts. You'll arrive at Indian Ranch and board the Indian Princess, a modern day replica of the grand riverboats that plied the Mississippi River in the late 19th century. Cruising out of Webster, she is one of the few authentic paddle wheel riverboats still in operation in the United States today. There are two decks aboard the Indian Princess that you can enjoy while cruising and the dining room is lined with large windows allowing you to see the red paddle wheels working their magic against the beautiful foliage. Next, visit the Point Breeze Restaurant on Lake Chargoggagoggmanchauggagoggchaubunagungamaugg (aka 'Webster Lake'), where you'll enjoy panoramic views along with delicious Baked Haddock or Grilled Chicken entries. Then you're off for nearby a local area family farm stand that sells their fresh grown produce along with local products like honey, cheeses and baked goods. Yum! You'll return home this evening at 5:30 PM after a delightful day exploring Central Massachusetts and enjoying the beautiful area foliage.
