NEXT MEETING

Meetings are the second Thursday of each month (except during December, July & August) at the Cape Cinema at 1:00 P.M.

35 Hope Lane, Dennis, MA

PRESIDENT'S MESSAGE

BREAKING NEWS!

After 19 years at the Dennis Senior Center, the Retired Men's Club is moving. Starting in September, the Club's home will be at the Cape Cinema, off Hope Lane in Dennis (across the parking lot from the Encore Bistro and Bar).

The September 9th General Membership Meeting and future meetings will happen as usual on the second Thursday of every month but will begin at one o'clock.

Our new home has much to offer, i.e., newly refurbished comfortable seating, a significantly larger capacity to easily accommodate members and their guests for special programs, built in audio/video capabilities and more. The Cinema will open at noon on meeting days. At the request of many members for better opportunities to make new friends and improve socialization at our meetings, the Cinema's concession will also be open at noon for beer, wine, and soft drinks as well as a selection of appetizing treats.

September's meeting will be our first in 19 months, going back to February 2020. Some of you will remember that renown author and radio personality C.L. Fornari was our guest speaker that day and she told us how to get ready for spring planting.

And then, the pandemic. Everything stopped. But RMC members are a resilient bunch. By September 2020 we were getting back to business. No meetings were allowed, but golf and bowling were back. A spring golf survey revealed every player had been vaccinated before the first ball was hit. Adjustments were made to bowling procedures for safe distancing and wearing of masks and the alley did its part with sanitation of equipment, extra seating and supplying other necessary safeguards.

We followed those activities with an end-of-June picnic. Over 80 participants spent a warm and sunny afternoon at Yarmouth's Flax Pond enjoying each other's company for games, great food, and live musical entertainment. The first song at the picnic was Willie Nelson's hit "On the Road Again". Right on. The RMC is indeed back on the road again. Regular meetings are starting. And watch your email or check elsewhere on this website for new updated procedures for entering our exciting fall golf program. First event is Monday, August 30th, at the challenging Crosswinds Golf Club. And stay tuned, bowling is just six weeks away from its new season, September 7th is opening day. Did I mention upcoming holiday activities? Our annual holiday luncheon with a great meal, live entertainment and a toy drive thrown in is coming up fast.

I close with some sad news. Long time RMC member, avid bowler, and good friend to many in the Club, Bob DiNapoli passed away on July 17th. He will be greatly missed.

Be safe and stay healthy. If you haven't yet been vaccinated against Covid-19, there's no better time than now. You could just save your life and you might even save someone else's. The vaccine is available at Walgreens, CVS, Cape Cod Health Care and a host of other Cape locations. Find a location that works for you at www.vaccines.gov. Appointments aren't usually required, and best of all, it's free!

That's it!

Have a great rest of the summer. I'm looking forward to seeing you in our new home on September 9th.

Charlie

Covid 19 Vaccinations

All players are required to have had Covid 19 vaccinations. You may be asked to provide proof (vaccination card). All the members playing in the last three spring events were vaccinated. If there are extenuating circumstances preventing you from having the shots, please contact President, Charlie Jones.

Closing comments:

Last year the participating number of members was significantly lower due to the pandemic. Hopefully this year we will return to the numbers we are use to. There is a lot of work involved in putting these tournaments together and the club has to show by participation that it is worth the effort.
